

REMARKS

This Amendment Under 35 CFR 1.115 is respectfully submitted in response to the Office Action mailed September 19, 2007, in which a shortened statutory period for response of three (3) months was set.

Claims 1-9 have been amended to remove the references to numbers appearing in the Figures in order to conform the language of the claims to U.S. practice. Claims 10 and 11 have been amended in order to remove the multiple dependency of those claims. No new matter has been added.

The Office Action of September 19, 2007 objected to claims 10 and 11 under 37 CFR 1.75© as being in improper form "because a multiple dependent claim should refer to the other claims in the alternative only; and cannot depend from any other multiple dependent claim." Applicants respectfully request reconsideration of this objection in view of the foregoing amendments to the claims.

Applicants gratefully acknowledge the allowance of claims 1-9. An early allowance is earnestly solicited.

If the Examiner has any comments or suggestions regarding this Amendment or the above-captioned patent application, the Examiner is requested to telephone the undersigned Attorney at the below-listed number.

If there are any other fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 10-0750

Respectfully submitted,
